Telephone 604-273-4725

In order for the Club to better understand the members and guests who attend functions at our facility, we have put together a survey and ask that you complete the survey and return it to us by June 14, 2019.

You can return the survey by various methods:

1. Mail
2. Scan and email to austriavanclub@yahoo.ca
3. Drop off in person

You can also download a pdf version of the survey from our website and return it by the same methods above. Your name will not be attached to your response as we wish to keep everybody's name and responses private and anonymous.

We look forward to receiving your comments. Thank you.
