*Hello dear Members,*

As of late May, British Columbia had progressed to Phase 2 of its reopening plan. As a result, some businesses have been given the green light to reopen though with modified protocols in place. We are still not ready to open the Austria Vancouver Club during this phase. We are looking toward Phase 3 for the opportunity to review and update our status. Please check our website, Facebook and Instagram pages for updates.

## NOTICE TO MEMBERSHIP

Due to the COVID-19 pandemic and the continued state of emergency declared by the Province of British Columbia, the Austria Vancouver Club will postpone the Annual General Meeting so that we can, in good hope, hold this meeting in person to allow as many members to attend as possible. When gatherings are once again allowed, we will set a date for the meeting and provide the appropriate notice to all members, along with any supporting documentation as required. All Board members have expressed willingness to continue until the new elections later this year. If you have any concerns or questions, please do not hesitate to contact us at [info@austriavancouverclub.ca](mailto:info@austriavancouverclub.ca).

## CHEF / COOK / CATERER / KITCHEN MANAGER

Do you know anyone that would be interested in filling the above position? We are looking for a person to fill a permanent part time job position as chef/manager of our kitchen. The right person will be in charge of purchasing supplies and preparing Austrian/German style meals for our events and some caterings, as well as other duties inherent with operating a kitchen. The Austria Vancouver Club is a Cultural Club dedicated to up-holding the Austrian culture. The environment is very friendly and family oriented. If you are interested and feel you would be a good fit, please send us your resume to [ewutschnik@telus.net](mailto:ewutschnik@telus.net).

## TICKETING AND RESERVATIONS

We are also looking for a volunteer to help with our tickets/reservations for dances. Preference is given to those that have a computer and Internet. A telephone will be provided. For more information, please email [reservations@austriavancouverclub.ca](mailto:reservations@austriavancouverclub.ca) or leave a message 604-620-3443 and Martina will contact you with more information.

## UPCOMING EVENTS:

At this time, the provincial government still prohibits gatherings larger than 50 people including indoor and outdoor sporting events, conferences, meetings, religious gatherings or other similar events. This threshold has been selected as it is much easier in smaller gatherings to maintain important physical distancing to prevent transmission of COVID-19. This measure will not be lifted until we have widespread vaccination, broad successful treatments, evidence of community immunity or the equivalent.

For a full listing of Provincial Health Officer orders, visit orders, notices & guidance on the Government of BC website.

Updates will be made on the Website, Facebook, Instagram and an information message will be made on the club and reservations phones once we know more.

We are still hoping that the Oktoberfest can be held in a limited capacity and tickets will be available for sale in July if things have improved by then. Pricing information will be updated on our website and an email will be sent out to our membership in the near future.
